ONE OUGHT TO KNOW

HOW TO STRENGTHEN THE ORGANS OF DIGESTION.

A Course of Treatment That Really Cures Indigestion Instead of Merely Relieving Symptoms.

There are plenty of remedies by which you can relieve for the time heartburn, pain and gas on the stomach and can smother nervous sensations and induce artificial sleep. But when you take your next meal all your troubles begin afresh.

There is only one sensible thing to do. Strengthen the stomach and do away with the necessity for drugs and artificial foods. The stomach, once in proper condition, will do its own work better than any process devised by man can ever do it. When it is again strong don't abuse it. Learn to choose rational food in general, and to study the effect even of that, as yours may at best be a freakish stomach.

Mr. John N. Dietrich, of 231 East Morris street, Indianapolis, Ind., tried a treatment that has cured thousands and says:

"About four years ago I began to have stomach trouble, which I always thought was brought on by irregular eating and sleeping while working on the street railways in this city. My condition kept growing worse. I had severe cramps in the stomach if I ate the least thing, even a drink of water would cause them. The cramps often doubled me up so that I couldn't straighten up for some time. Often they would last all day, causing me to go to bed. I didn't have much of an appetite and I was constantly belching gas and sour fluids after everything I ate. I was troubled a great deal with constipation and dizzy spells. My blood seemed to be out of order and I had headaches which seemed almost like neuralgia. I was in a bad state and was in bed for over a week at one time.

"The doctor's medicine did me no good and upon advice of a relative I began to take Dr. Williams' Pink Pills. Although I had been sick for nearly three years, I felt better right away after taking the pills. My appetite picked up and I haven't had a dizzy spell since. My bowels are regular and I feel fine in every way. I recommend Pink Pills to everybody I can."

While so promptly effective, Dr. Williams' Pink Pills are entirely harmless. Every dyspeptic should read "What to Eat and How to Eat." Write today for a free copy of the booklet.

Your druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

ANOTHER APPEARANCE—MAN OF THE HOUR

The sale of tickets for the three performances of the "Man of the Hour," which will be given at the Opera House during the week that the Atlantic fleet is in port, commences this morning at Wall, Nichols' store. Already there have been a number of requests for tickets from town people who did not see the play when it was presented a month ago and who heard of its excellence from their friends. Those wishing seats should get them early in the week, as when the fleet arrives it will not take long to dispose of the house.

The play will be presented on Thursday, July 16, Friday, July 17, and on Tuesday, July 21. An invitation has been extended to a number of the officers of the fleet to be present and the boxes will be reserved for their use, none being placed on public sale. The cast will be headed by W. D. Adams, Miss Nellie McLean and Gus Murphy, and it is fully expected that, with the many rehearsals which have been held already, the play will be even a more finished production than it was a month ago, when presented by the same company.

Popular prices will be the rule. Orchestra seats will cost 75 cents, balcony seats will be 50 cents and the gallery will be 25 cents as usual.

BALL TICKETS.

Tickets for the Atlantic fleet ball can be procured at the following places:

LIGHT POLICE COURT CALENDAR.

There were only five cases for the police court judge yesterday, four of them going over until today and one being postponed. David Leleo is one of those named, being down for larceny. His is a case of alligator pear picking. The other three are minor offenses, one assault and battery and two drunks.

EVANGELIZATION OF CHINA'S YOUNG MEN

The following letter comes from the Chinese Young Men's Christian Association, Tokio, Japan:

Tokio, Japan, May 4, 1908.
Rev. E. W. Thwing, Honolulu, Hawaii.
Dear Mr. Thwing: Yours of March 14, together with clippings regarding Lo Sun, just received. I was very much surprised to hear of this case regarding Mr. Lo Sun, but I rejoice with you at the great success and the final outcome of the case.

All goes well with us here. We have at present about 7000 Chinese students in Tokio, representing every province of China, all eager for learning, willing and ready to absorb everything given them. These men are China's future leaders. Our particular work has been characterized as "The Port Arthur of China's Evangelization," and such indeed it is. What is to be done for these young men must be done quickly—their stay here is short at most. I think that I told you that we had six foreign workers from China working in cooperation with us. We have also brought over a number of Chinese secretaries and teachers.

I would like to emphasize the fact that these men are to return to China as officials, teachers, editors—in fact, to be leaders of thought and action in every sphere of life in every section of China.

A letter under recent date received from a missionary in China says that a young man who became a Christian last year and returned to China a few months later is now living a Christian life among his fellow men in China, amidst great temptation, hardship and ridicule. This is only one instance to show that these men—at least, most of them—remain true to their principles and convictions.

Perhaps you will be interested to know that our budget for 1908 amounts to Yen 25,000 (\$12,500 gold). This total amount is raised by contributions from China, Japan, America and England, the greater portion coming from America. A very considerable part of it is made up of small donations.

I have had printed in Chinese, for distribution here among the students, facts about your school in Honolulu. I have distributed these widely among the students, and I hope that it may prove beneficial. We have also posted copies of the same in our different branches. A package was sent you some time ago.

I have just wondered if there may not be some pretty well-to-do Chinese in Hawaii who might be glad to contribute something towards our work here. I shall be glad to have your advice on this matter, and will appreciate whatever you may be able to do for us along this line. The Chinese Minister in Tokio and the Consul General in Yokohama, and other employees of the government here, have all contributed loyally. The Chinese merchants in Yokohama also contribute about Yen 1000. We receive about Yen 2000 in contributions from China; the balance we have to raise from other countries, which this year will cause us no small amount of difficulty.

I am enclosing herewith a few subscription blanks; and under separate cover some recent reports, statistics, etc., which you will find self-explanatory and, I trust, of interest. Most sincerely yours, J. M. CLINTON.

THEIR ENGLISH HALTS BUT MONEY IS GOOD

The following letters accompanying remittances were received at one of the Territorial offices. Names are omitted. The remittances were good:

"We herewith forwarding you a check the sum of (\$26.00) twenty-six dollars for, etc., of the term of one year, June 30, A. D. 1909.

"Soon when do receive our money order please fill up and returning the same per S. S. Mauna Kea without delay, we are and oblige. Awaiting your further instructions favor value, we beg to command."

The second was in its beginning much like the other and concluded thus:

"Soon when do you received our check kind fill your further instructions favor value, we beg to remain."

KAPAHULU IMPROVEMENT CLUB.

The postponed regular meeting of the above named club will be held in Hollinger hall, Camp McKinley, Saturday, July 11, at 7:30 p. m. All members and others interested in the improvement of the Kapahulu district are requested to be present at this meeting, as matters of grave importance will be considered.

S. MEHEULA, Secretary.

A story, said to be new, of Balzac, is related by a French contemporary. A burglar gained admission to Balzac's house, and was soon at work, by the light of the moon, at the lock of the secretaire in the novelist's chamber. Balzac was asleep at the time, but the movements of the intruder aroused him. The burglar, who was working most industriously, paused. A strident laugh arrested his operations, and he beheld by the moonlight the novelist sitting up in bed, his sides aching with laughter. "What is it that makes you merry," demanded the burglar. "I laugh," replied the author of "Père Goriot," "to think that you should come in the night without a lantern to search my secretaire for money, when I can never find any there in broad daylight."

Amateur (holding five aces, leans over to professional poker player and whispers)—Billie, how would you play that hand? Professional—My boy, if I were you I think I'd play under an assumed name.—Judge.
